

2009-2010

**4 Days & 3 Nights**  
**OUTBACK CONTRASTS**

**Tour code 3/4OC**

**Day 1**  
**Mt Sturt**

Depart Adelaide Airport with Regional Express arriving at Port Lincoln 09.50am to be met by your tour leader. We will head to Wudinna, a small town of 600 people on the northern Eyre Peninsula. We will visit Wudinna Rock as we travel into the bush to Mt Sturt and the Corrobinnie Lakes. Your wildlife experience begins here as the outback animals thrive in this environment.

Along the way you get the chance to have some fun and paint your face with the multi coloured ochre rock.

*Overnight at Kangaluna Camp(LD)*

**Day 2**  
**Lake Gairdner and Gawler Ranges Wildlife.**

In the morning we head of to the spectacular Lake Gairdner, which is like a piece of Antarctica, with its glistening white salt pan set in the middle of a red landscape. Here you can walk through the bush looking for some of the 146 species of birds recorded here. On the way back you can see emus and kangaroos (Reds, Western Greys and Euros) as we drive through the ancient outback.

*Overnight at Kangaluna Camp. (B.L.D.)*

**Day 3**  
**Organ Pipes Amphitheatre**

This morning is leisurely and allows plenty of time to walk through the bush looking for some birds and kangaroos. Today we will see wedge tailed eagles nests and cigar shaped volcanic rock formations, which are 1500 million years old, the magnificent Organ Pipes Amphitheatre and lots of wildlife. In the afternoon we travel back to the Kangaluna Camp.

*Overnight at Kangaluna Camp. (B.L.D.)*

**Day 4**  
**Nukey Valley**

Geology is a focus this day; we visit Kolay Hut, Micira Rocks, Boundary Gorge and Nukey Valley. We will see interesting aboriginal history and spectacular views and again more animals. Return to Wudinna or Port Lincoln at 5.00pm. (B,L)

*Tour can depart from Wudinna where vehicles can be stored safely for self drivers.*
